PROFESSIONAL SUMMARY

Computer Science undergraduate with hands-on experience in Full Stack Development. Proficient in Java, React.js, Node.js, Express.js, MongoDB, and REST APIs. Built a full-stack AI Interview Simulator with secure authentication, interview workflows, and payment integration. Passionate about building scalable software solutions and continuously improving problem-solving skills.

TECHNICAL SKILLS

Languages: Java, JavaScript, HTML, CSS

Frontend: React.js, Tailwind CSS

Backend: Node.js, Express.js

Database: MongoDB, MySQL

Core CS: Data Structures & Algorithms (DSA), Object-Oriented Programming (OOP), DBMS

Tools: Git, GitHub, Firebase, Postman, VS Code

INTERNSHIP / TRAINING

Generative AI Training | EiSystems Technologies

- Developed responsive web application features using React.js, Node.js, Express.js, and MongoDB.
- Built and integrated REST APIs for seamless frontend and backend communication.
- Collaborated on application testing, debugging, and feature implementation.
- Gained exposure to Generative AI concepts and their integration into web applications.

PROJECTS

INTELLIVORA – AI Interview Simulator

Tech Stack: React.js | Node.js | Express.js | MongoDB | Firebase Authentication | Tailwind CSS | REST APIs

- Developed a full-stack AI Interview Simulator for technical and HR interview preparation.
- Implemented secure authentication, resume upload, and dynamic interview workflows.
- Built interview history, detailed performance reports, and analytics dashboards to track user progress.
- Integrated Razorpay payment gateway with a credit-based premium access system.

EDUCATION

School of Management Sciences, Lucknow

Bachelor of Technology (B.Tech) – Computer Science & Engineering

Expected Graduation: 2027

CERTIFICATIONS

- Winner – Cyber Security Quiz | Datapro Computers Pvt. Ltd.
- Certificate of Excellence – Java Programming Quiz | PVPSIT (Unstop)
- Generative AI Training | EiSystems Technologies
